

Social Networks Policy

1. Information about the controller of the data hosted on the official page of DIA GROUP BV. on the social network

In accordance with the duty of information established in the Regulation (EU) 2016/679 of 27 April (GDPR), **DIA GROUP BV.**, hereinafter the Data Controller, wishes to inform the users of this social network about its policy regarding the processing and protection of the personal data of the persons that voluntarily access and use the **DATA CONTROLLER's** official page on it. The access and use by the user of the **DATA CONTROLLER's** official page means that they expressly accept this privacy policy and that they consent to the processing of their personal data as established on it.

2. Data of minors or legally incapacitated individuals

Access and registration on this social network is prohibited to minors under the age of fourteen (14) years and therefore the access and use by minors under the age of fourteen (14) years of the **DATA CONTROLLER's** official page on it is also prohibited. On the other hand, if the user is legally incapacitated, the **DATA CONTROLLER** advises that the consent of the person with parental authority or guardianship of the user or their legal representative shall be required for the access and use of the **DATA CONTROLLER's** official page. The latter shall be expressly exempted from any liability that may arise from the use of its official page by minors and individuals that are legally incapacitated, which shall be the responsibility of their legal representatives in each case.

3. Identification of the business name of the person responsible for the file

The user is informed that the **DATA CONTROLLER**, with registered address at **Springweg 157, 3511 VN, Utrecht, The Netherlands** holds the status of controller of the data files and their processing by means of which the user's personal data is collected and stored as a consequence of the registration and use of the **DATA CONTROLLER's** official page on this social network, without prejudice to the processing by the company that owns the social network on which our official page is hosted.

4. Purposes for which the personal data, information and consent are used

The personal data that is voluntarily provided by the user to the **DATA CONTROLLER** through its official page shall be processed by the **DATA CONTROLLER** in order to provide you with information about the **DATA CONTROLLER** by email, fax, SMS, MMS, social media or by any other (current or future) electronic or physical means that makes it possible to carry out commercial communications or send newsletters to the users who subscribe or exchange information with the **DATA CONTROLLER** and other users, and establish communication with third parties.

From the moment that the user first uses this official page, they give their free, unequivocal, specific, informed and express consent for the processing of their personal data by the **DATA CONTROLLER** for the correct provision of these services in accordance with the provisions of this policy.

The user is free to choose whether to use the **DATA CONTROLLER's** official page on this social network and therefore, if the user does not agree with the processing of their data for these purposes, they should not use it or provide their personal data.

Through the **DATA CONTROLLER's** official page, the user can share texts, photos, videos and other information and/or content that will be subject to both this policy and the rules and terms and conditions of the platform. The user shall be responsible for ensuring that all of the content that they publish complies with the legislation in force, this policy and the rules of the platform.

The user may only use the **DATA CONTROLLER's** official page to publish personal data, photographs and information or other content whose ownership and rights belong to them or for which they have the authorisation of third parties.

The **DATA CONTROLLER** shall have the right to eliminate from its official page (unilaterally and without any prior communication

or user authorisation) any content published by the user if the user infringes or violates current legislation, the rules set out in this policy or the rules of the platform.

5. Identification of the recipients with respect to which the DATA CONTROLLER intends to disclose or communicate data

The user is advised that all of the information and content published on the **DATA CONTROLLER's** official page on the social network may be seen by the other users of the official page and the social network platform. Therefore, all of the information and content that is published by the user on the **DATA CONTROLLER's** official page on the social network shall be subject to communication to the rest of the users due to the very nature of the service.

The **DATA CONTROLLER** only plans to disclose or communicate data that, in accordance with current regulations, must be provided to judges, courts, public administrations and the competent administrative authorities.

6. Other third-party service providers

The **DATA CONTROLLER** warns users that this company is only responsible for and only guarantees the confidentiality, security and processing of the data in accordance with this policy with regard to the personal data that is collected from the user through this official page on this social network, and it does not have any kind of responsibility for the processing and subsequent use of personal data that may be carried out by the owner of the social network, or by third party IT service providers that may be able to access this data during the provision of their services or the exercise of their activity; third parties that establish hyperlinks to the social network; or data controllers to whom the **DATA CONTROLLER** refers the users signed up to this official page by means of hyperlinks.

7. Quality of the data

The **DATA CONTROLLER** warns users that, except where there is a legally constituted representation, no user can use the identity of another person and communicate their personal data, and therefore users must at all times take into account that they can only provide personal data corresponding to their own identity, and that these data must be appropriate, relevant, current, precise and true. In any case, the user must respect the privacy of third parties, whether or not they are users of the social network or of the **DATA CONTROLLER's** official page on it.

8. Rights of the Data Subject:

- The right to withdraw their consent at any time.
- The rights of access, rectification, portability and deletion of their data and the limitation or prevention of their processing.
- The right to file a claim with the Data Protection Authority (<https://autoriteitpersoonsgegevens.nl>) if they consider that the processing does not comply with current regulations.

9. Other relevant information

The **DATA CONTROLLER** may modify and/or replace this policy at any time, in which case the new policy shall replace, complete and/or modify the one currently published here. Therefore, the user should access it periodically in order to keep themselves up to date.

The user may contact the **DATA CONTROLLER** through the social network's internal messaging service or by using the following addresses and contact information:
