The use of cookies also enables the server where the website is located to recognise the browser used by the user in order to make browsing easier, such as by allowing access by users who have previously registered to areas, services, promotions or contests reserved exclusively for them, without having to register for each visit. They can also be used to measure audience and traffic parameters, monitor the progress and number of entries, etc., and in these cases, they are technically dispensable cookies but are beneficial for the user. This website will not install dispensable cookies without the prior consent of the user.
